**know it.
show it.**

We're Saving the World from Boring Baby Stuff and you're in. Cosatto parents walk their own path and know what's what. Sharing their look. Loving life. It's about making an entrance and celebrating your creation. You're different and we love you for it. Now show 'em how it's done.

#mycosatto

We bring you a lifetime of support and an industry-leading guarantee. That's the Cosatto promise.

Revolutionary Reassurance

There's a reason our products are multi award-winning. At Cosatto, we stop at nothing to bring you quality and peace of mind.

Above & Beyond

Your baby's safety is our obsession. This means you can have confidence in world class products that are tested above and beyond European safety standards. Unless our products are beyond tough, they don't get the green light.

Safer Child. Safer You. Safer Roads.

Research shows over 70% of children wriggle out of their car seat harness, risking severe injury. We've built the solution. The brand new Cosatto Anti-Escape System. In tests, 9 out of 10 children could not wriggle free.

5 Point Plus™ is a trademark of Systematic Strategy Ltd.

Cover Like No Other

We invented the original 4 year guarantee. It's a solid guarantee for real life. It's unlikely you'll need it but that's not the point. Once you buy your Cosatto, you're in the family.
